

POS Manual

Assigning Swipe Cards

Assigning Swipe Cards

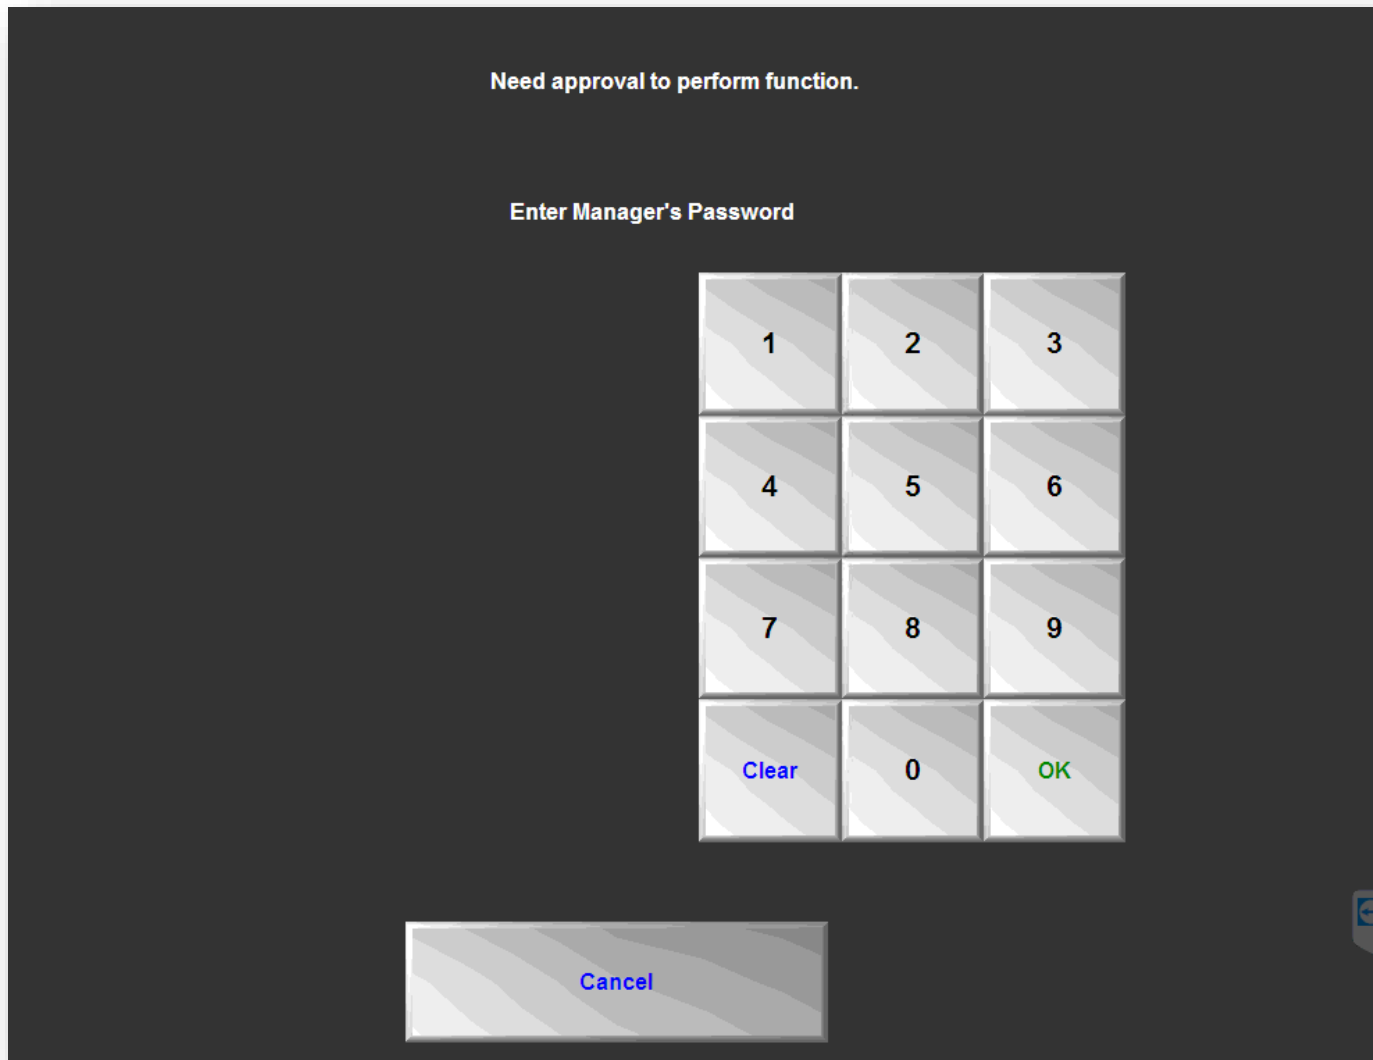

- You can assign a code to the swipe card and use the card to log in & authenticate – this can be useful when the card is assigned with the managerial code for cashiers to access managerial functions without revealing the code.

:: See visual instructions on the following pages ::

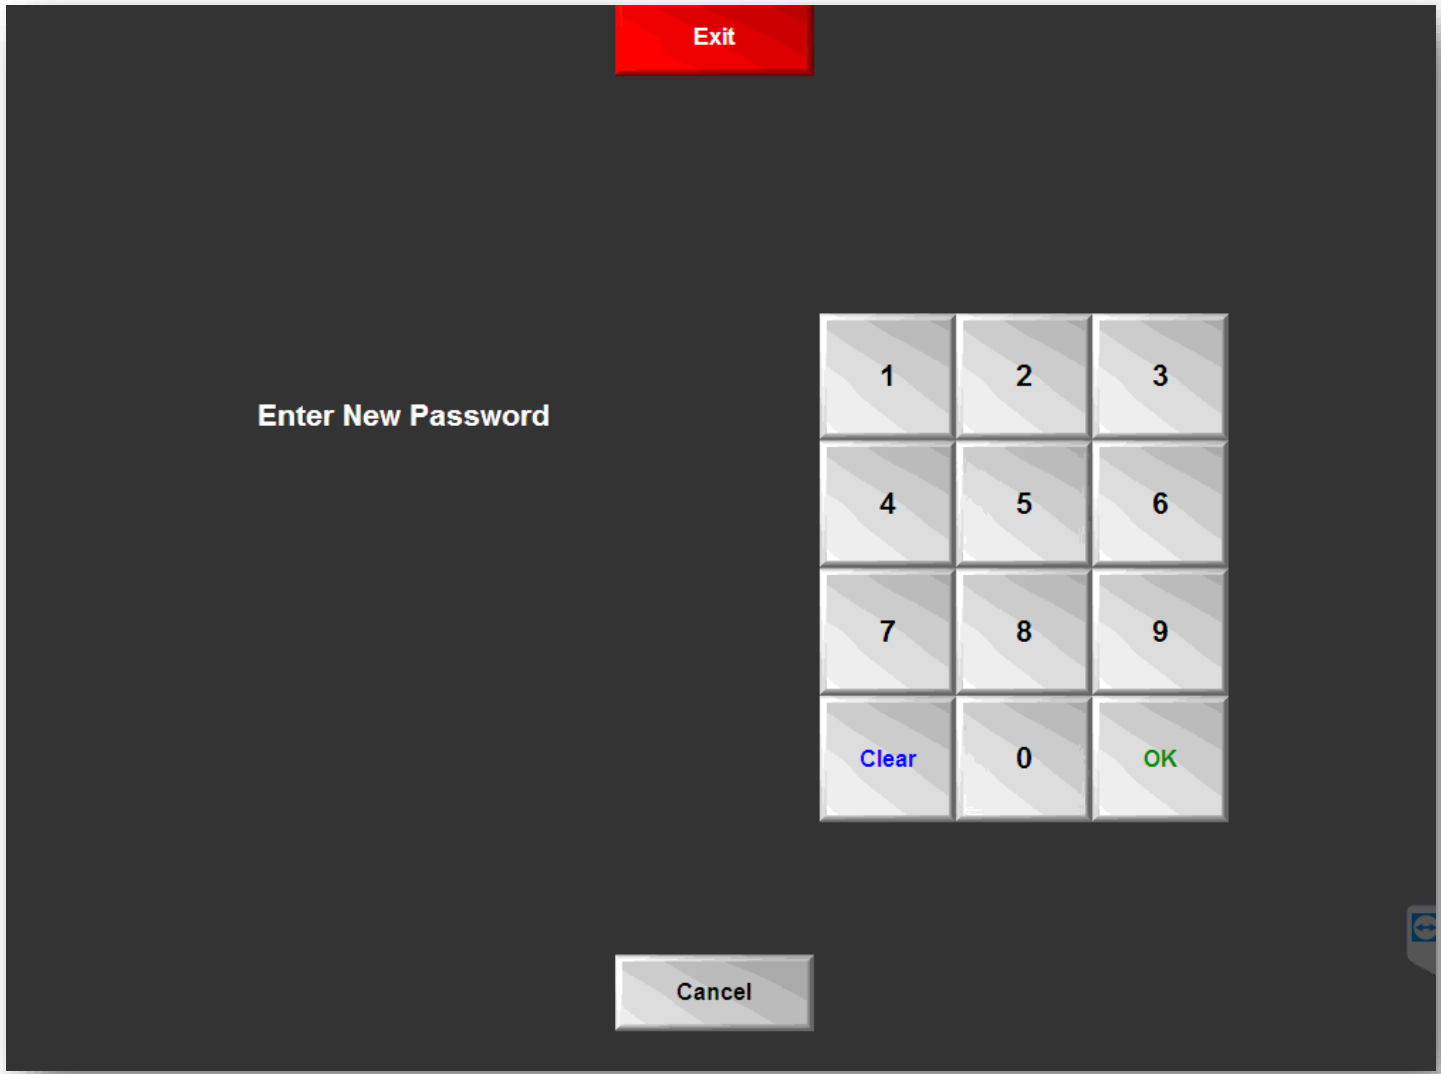

Log-in with the employee code you wish to assign to the swipe card.
Locate to Functions >> Change Password

Assigning Swipe Cards

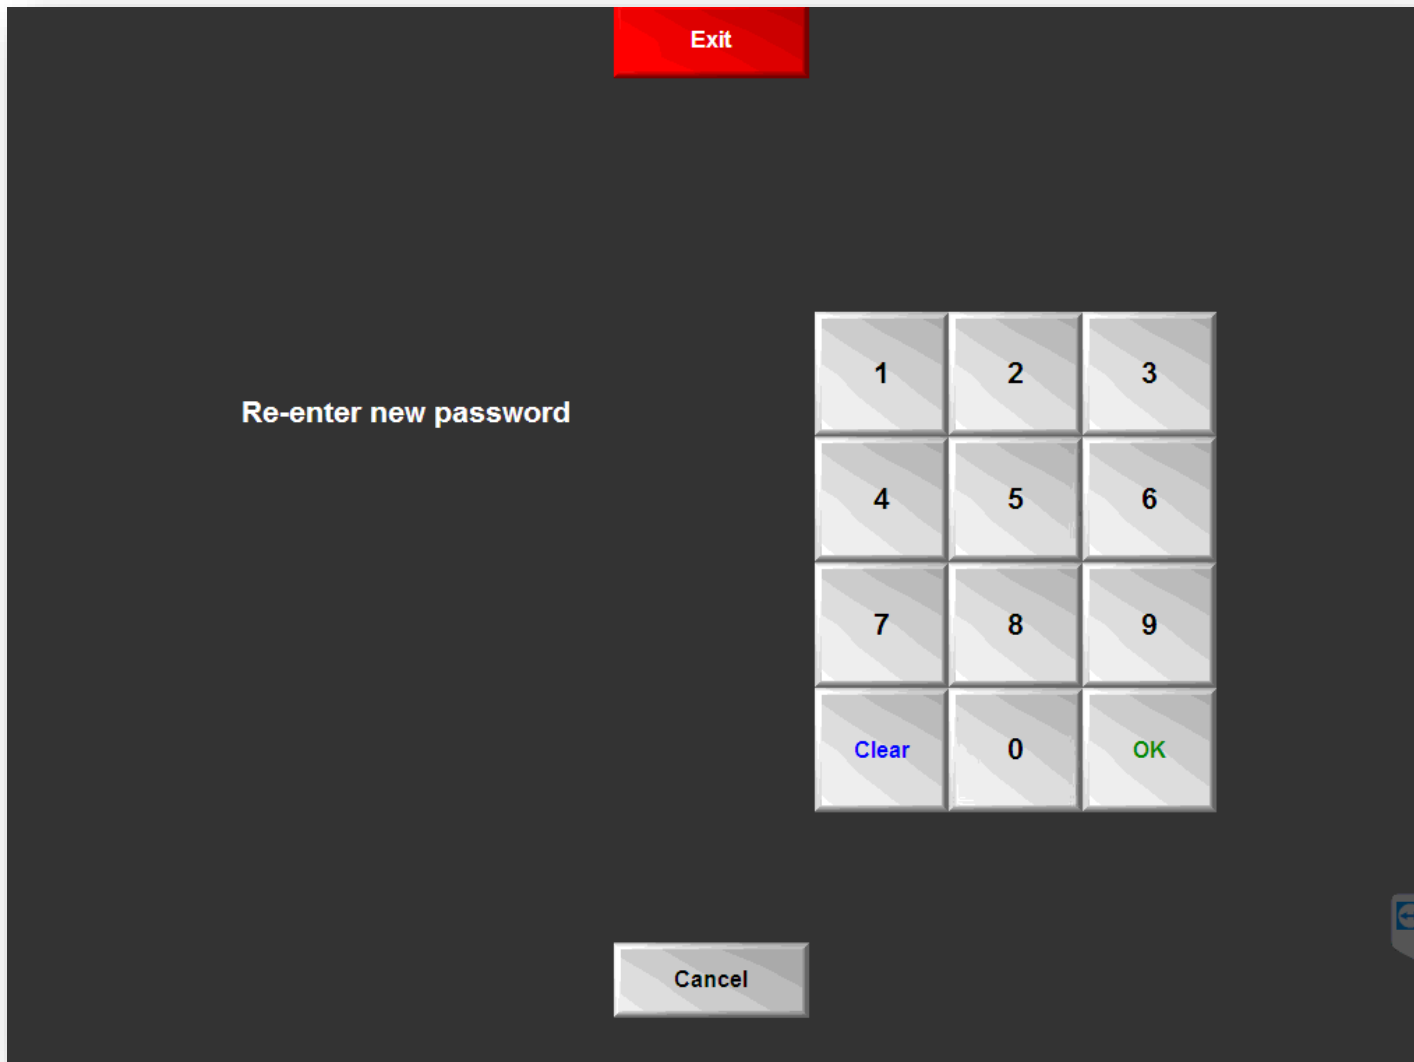

If you are logged-in with a non-managerial code, enter the manager's code.

Assigning Swipe Cards

Swipe the card

Assigning Swipe Cards

Swipe the card again

Assigning Swipe Cards

The card is now assigned to the code. Please try to log-in & authenticate using the card.
