

MILK ALTERNATIVES: IMPORTANT INFORMATION

Alternative milks may contain nuts which makes it a risk to those who suffer from nut allergies. To minimize allergen risks you must follow these procedures

- **Always use the designated 'Milk Jug' - ie, Almond, Coconut, Soy etc.**
- **Use a separate thermometer for 'Alternative Milk'.**
- **Use a separate steam wand and cloth for 'Alternative Milk'. (Preferably the steam wand on the other side of the machine that gets used less often.**
- **Always purge the steam wand before and after steaming 'Alternative Milk'.**
