

Visitor Entry *Policy*

The Coffee Club operates under a comprehensive Food Safety Programme.

To assist in maintaining the highest levels of food safety, visitors going into the food preparation area are required to;

- Avoid all contact with food and food contact surfaces.
- If this contact cannot be avoided, visitor must. Thoroughly, wash hands prior to any contact.
- Avoid any indirect physical contamination of food or food contact surfaces.
- Adhere to *TCC* uniform standards as per team handbook.

If at any time you feel your activities within the facility may have compromised the safety of the product, please advise the management without delay.

Thank you for your co-operation.
